Mr. J. F. Conway, Pres.
Horace Partridge,
1207 Walnut St.,
Philadelphia, Pa.

Dear Sir:

Your letter of March 14th just received.

I am of course very disturbed at the contents. Sorry that your organization has been inconvenienced in this way. You understand of course that I, as an individual, cannot do anything about it, but I will promise you to take the matter up at our next League Meeting. I am sure the League will feel inclined to take some steps, as they will not like a thing of that kind standing against a Member of the organization.

Again assuring you that I will give my wholehearted co-operation in assisting in the proper adjustment.

Very truly yours,

AM:CCJ
